EDUCATION

Computer Engineer

Bahirdar University - Bahirdar Institute of Technology

04/2022 - 12/2024

Bahirdar, Ethiopia

Courses

- Data Structures
- Algorithms Computer Programming
- Internet Programming
- Signal and System Analysis
- Network Analysis and Synthesis
- Fundamentals of Electrical Engineering
- Computer and Network Security
- Digital Signal Processing
- Object-Oriented Programming

High School

Tewodros Preparatory School

09/2018 - 06/2021

debre tabor, Ethiopia

CLUBS & MEMBERSHIPS

Member

BiT Makerspace

04/2024 - 12/2024

Bahirdar University - Bahirdar Institute of Technology

contributing to projects like building machines and 3D printers

Tasks

- DIY SLS 3D Printer

Member

KTS CLUB

02/2024 - 12/2024

Bahirdar University - Bahirdar Institute of Technology

involved in fixing and maintaining student electronics such as PCs and mobile devices.

Tasks

- fixing and maintaining student electronics

SKILLS

React

Tailwind

HTML

CSS

JavaScript

Node.js

MongoDB

Express.js

C++

Marlin Firmware

Java

Spring Boot

PERSONAL PROJECTS

WaliaMart (07/2024 - 12/2024)

- WaliaMart E-Commerce Developed an e-commerce platform featuring user authentication, product management, and secure payment processing. Utilized React for front-end development and Node.js for back-end services, enhancing user experience and operational efficiency.

SmartEduDocs (10/2024 - 12/2024)

- SmartEduDocs is a comprehensive document management system designed for educational institutions to efficiently organize and retrieve documents related to courses, departments, and faculty. Built with React for the front-end and Spring Boot for the back-end, it streamlines document handling, enhances user experience, and improves operational efficiency across academic environments.

CERTIFICATES

Programming Fundamentals (04/2024 - 08/2024)

Completed Programming Fundamentals course, mastering key concepts like variables, control structures, and algorithms with hands-on project experience.
